For the \$5 fee we will include your sale address and "dot" on the map. Maps will be available at gas stations, retail businesses, Facebook, etc. prior to and during the Carthage City-Wide Sales Event. That is the ONLY thing the \$5 gets you. It is up to each individual or business to do their own advertising for their sale.

We encourage retail businesses, restaurants, etc. to set up sidewalk sales, specials, etc. during the city-wide garage sale. If a business wants their special to be included on the map, they need to pay the \$5 fee.
